

PLAN FOR SOCIALLY DISTANCED CRICKET MATCHES IN ENGLAND

Undergo a personal symptom check at home prior to matches. Stay home and do not take part if you demonstrate any COVID-19 symptoms and are required to self isolate

Use own equipment throughout where possible and clean your bat when leaving field of play

No sweat or saliva is to be applied to the ball at any time. Hands and the ball should be cleaned at all breaks in play and every 6 overs

Players to remain socially distanced at all times (wicket keepers and slip fielders at 1m+)

Use of the clubhouse, changing rooms and toilets should adhere to the latest UK Government advice

Keep a record of all those in attendance at each session, including contact details

Social distancing should be maintained during wicket celebrations and drinks breaks

Batters are to run in distinct marked running lines to ensure they are not within 2m of the bowler or other batter
